

Arduini Legnami Spa
Via Emilia Parmense 238
29010 Cadeo,

With regard to the protection of personal data in compliance with the GDPR 679/2016 Regulation, we hereby offer information on the types of cookies used on the website:

1 **Premise**

his information is provided pursuant to the GDPR 679/2016 regulation, and is aimed at those who interact with the site of [Arduini Legnami Spa](#), accessible by the internet at corresponding to the home page of the official website of [Arduini Legnami Spa](#).

[Arduini Legnami Spa](#) could process personal data in order to: provide its products and services to customers and users and detect the frequency of visits to the site.

For these purposes, certain technologies are used that can be used on our site to improve it and make it easier to use, effective and safe. They allow us, or third parties who work for us, to collect data automatically. Examples of such technological solutions are cookies.

2 **What are cookies**

Like almost all websites, so does the site [Arduini Legnami Spa](#) uses small files, which are saved on your computer, tablet, mobile phone or other mobile device (collectively referred to as "device") to record certain data when you access or interact with our site.

I nomi e i tipi specifici di cookie usati possono cambiare nel tempo. Per aiutarti a comprendere meglio le regole e l'uso di tali tecnologie, di seguito sono riportati alcuni termini con le relative definizioni:

Cookies: small text files (usually made up of letters and numbers) that are saved in the browser or device memory when you visit a site or view a message. Cookies allow a site to recognize a particular device or browser. There are different types of cookies;

Temporary (or session): they are used to store temporary information, allow you to link your actions during that specific session and are removed from the computer when the browser is closed;

Permanent (or saved): they are used to store information, such as the login name and password, in order to avoid the user having to re-enter them each time they visit a specific site; remain stored on the computer even after closing the browser;

Owners: they derive from the site viewed and can be permanent or temporary; they can be used to store information that will be reused at the next visit to the site;

Hird-party: derive from ads from other sites, such as pop-ups or advertising banners, on the site displayed; can be used to record the use of the site for marketing purposes.

Cookies can be disabled or removed using the tools available in most browsers. Cookie preferences must be set separately for each browser used, as each of them offers specific features and options.

3 **The categories of technical cookies we may use**

The cookies we use, first of all, do not record any personal information about a user and any identifiable data will not be stored, they are useful to ensure the functioning of our services and allow us to improve performance. These technologies allow our website to store important information in your browser or device and then use it later to identify you. Tutti i dati personali acquisiti e archiviati tramite l'uso di queste tecnologie vengono ottenuti solo dopo avverti fornito una specifica informativa.

We use different types of cookies in relation to their use, in particular:

- Technical cookies

They are of two categories:

- persistent: once the browser is closed they are not destroyed but remain until a preset expiration date;
- sessions: they are destroyed every time the browser is closed

This type of cookie is necessary for the correct functioning of the site from an operational point of view. This includes technologies that allow the user to access the site to avoid fraudulent activities and improve security and to use the site's functions and / or services.

The information for this type of cookie is transmitted automatically, and by virtue of the purpose just described, the user's consent is not required.

The information collected could be the following:

- Internet protocol address (IP);
- Type of browser and device parameters used to connect to the site;
- Name of the internet service provider (ISP);
- Data and time of visit;
- Web page of origin of the visitor (referral) and exit;
- Possibly the number of click;

The aforementioned information could be used, in accordance with the laws in force on the subject, in order to block attempts to damage the site itself or to cause damage to other users, or in any case harmful activities or constituting a crime. These data are never used for the identification or profiling of the user, but only for the purpose of protecting the site and its users.

4 The categories of analytical cookies that we may use

- Analytical cookies.

These cookies are used to collect information on the use of the website, in respect of anonymous statistical analysis in order to improve the use of the site and to make the content more interesting and relevant. This type of cookie collects anonymous data on user activity and how it arrived on the site.

More precisely :

- in relation to the performance of the site, we can use cookies to evaluate the performance of our site, also in the context of analysis activities to understand how visitors use it,
- In relation to the functionality of the site. We may use cookies to provide you with features during access that would otherwise not be available. Thanks to these features we can, for example, identify users who access our site or monitor their preferences, previously visited pages, in order to improve the presentation of content on our site.

The consent for the use of analytical cookies is issued by you when you accept the information by browsing the site. With your consent, you will give the data owner, [Arduini Legnami Spa](#), the possibility to use these cookies.

Consent is not mandatory so if you believe you do not accept the use of these cookies, you can disable, block or delete them if your device allows it. It can manage cookies and cookie preferences in the device or browser settings. If you wish to disable the use of cookies, you need to customize your computer settings by setting the deletion of all cookies (see the following section "How to manage cookies through navigation browsers"). In this case it may not be able to take advantage of certain functions and / or services of the site. To proceed, however, without modifying the application of cookies, simply continue browsing.

Service providers are companies that support us in various aspects of our business, dealing, for example, with functions and / or services of the site. They can also acquire information that allows them to identify your device, such as the IP address or other unique or device codes.

Certain functions of the site may only be available through the use of these technologies. You can always block, delete or disable them if your browser or device used allows it. For more information on how to block, delete or disable these technologies, consult the settings of the device or browser used.

5 Categories of cookies we do not use

The site does not use or transfer to third parties the following types of cookies:

- Profiling and marketing.
- Social media cookies or so-called "interaction cookies" that can be used to monitor user activity on social media platforms.
- Technical cookies from third parties

6 How to manage cookies through the navigation browser

Through the main navigation browsers The user can decide whether or not to accept cookies using the settings of his browser (by default, almost all web browsers are set to automatically accept cookies). The setting can be changed and defined specifically for different websites. Furthermore, the latest generation browsers allow you to define different settings for "proprietary" and "third party" cookies.

COOKIE POLICY

FOR Users of the Website

European privacy law
REG.UE 2016/679

You can change your browser settings in order to delete or prevent the storage of some cookies on your computer or mobile device in the absence of explicit consent. The "Help" section of your browser should provide information on how to manage your cookie settings. To find out how to do it on your browser, read here:

7 Data controller and data processor

The data controller is [Arduini Legnami Spa](#), the data collected from our website are processed at the operational headquarters of the Data Controller.

8 How to exercise user right

Each user has the right to exercise the rights under Chapter III at any time pursuant to art. from 12 to 24 of the GDPR Regulation 679/2016 (Rights of the interested party), in particular:

- Request confirmation of the existence of personal data concerning him (right of access);
- Knows its origin;
- Receive intelligible communication;
- Have information about the logic, methods and purposes of the processing;
- Request the updating, rectification, integration, cancellation, transformation into anonymous form, blocking of data processed in violation of the law, including those no longer necessary for the pursuit of the purposes for which they were collected;
- In the case of processing based on consent, receive at the sole cost of any support, your data provided to the holder, in a structured and readable form by a data processor and in a format commonly used by an electronic device;
- The right to lodge a complaint with the Supervisory Authority (Privacy Authority);
- As well as, more generally, to exercise all the rights that are recognized by the current provisions of the law.

Requests should be addressed to the Data Controller by writing to the following e-mail address: info@arduinilegnami.com.
